Costs and Booking:

Since every event and show is different, we cannot quote a general flatrate. The price for one performance starts at 500€ (plus travel costs if your event takes place outside of Vienna) per performer. We are happy to provide a personalized cost estimation upon your performance inquiry via our website or e-mail (office@aerialsilk.at). Please include the following information in your booking request:

- The **date** and **location** of your event(s), if already predictable the approximate time(s) of the performance(s)
- **Details regarding the location:** is it an indoor or outdoor event? How high is the room? How big is the performance area? Do you have a suitable rigging point (see requirements) or do you require a standalone aerial rig?
- If applicable, **details to the event** and your **performance wishes:** Has the event a theme or dresscode? Do you prefer a certain apparatus? How many performers and performances would you like (single/double, one/several performances in one evening...)?

After discussing your wishes, you will get an individual offer & contract for your event. We will send you an invoice for a 50% down payment, with a 5 days deposit period. As soon as the contract is signed and the deposit arrives, we'll consider your event booked and start preparing. After the event is done, you'll get another invoice for the remaining fee.

Cancellation Policy:

- If the client cancels prior to 8 weeks to the event, the deposit is refunded fully. In case of a cancellation less than 8 weeks prior to the event, Aerial Silk Vienna will retain the full deposit. If the event is cancelled within 48 hours prior to the performance, the full show fee has to be covered by the client.
- If the show is cancelled by Aerial Silk Vienna at any point for any reason, the full amount paid is returned to the client. Aerial Silk Vienna reserves the right to make spontaneous small changes if necessary (e.g. replacement in case of illness/injury of an artist).
